

SAFE AT THE REMADAYS 2021!

INFORMATION FOR EXHIBITORS

We have prepared a list of good practices that will help exhibitors prepare a safe stand for the RemaDays 2021 trade fair. Together we can effectively protect ourselves and visitors to the fair!

WE CARE ABOUT YOUR SAFETY:

temperature measurement
at the entrance

wider alleyways

limitation of the number
of people

disinfection
of the facility

medical
point

air circulation

possibility to purchase
personal protective equipment

GUIDELINES FOR VISITORS:

disinfect
the stand

maintain
social distance

provide personal protective equipment
for employees and stand staff

check
the health of staff

HELP US TO ENSURE SAFETY:

register online

frequently disinfect hands

avoid shaking hands

choose non-payments
cash
